

GOODS DESCRIPTION - Guidelines

C.WEB displays a warning message (shown below) when submitting a request with following goods description, either singly or combined.

As from the 1st October 2012 it will be unable to submit requests with these generic descriptions!

"cargo",
 "cartons",
 "consumer",
 "exxonmobil",
 "general",
 "goods",
 "harmless",
 "misc",
 "miscellaneous",
 "n h",
 "nhc",
 "non haz",
 "non-hazardous",
 "non hazardous",
 "others",
 "materials",
 "pallets",
 "parts",
 "products",
 "various"

Some examples:

"parts"	is unacceptable, but	"Car parts" is acceptable.
"pallets"	is unacceptable, but	"empty pallets" is acceptable.
"general cargo"	is unacceptable.	

Please note:

"Harmless chemicals" is a valid description.

Example warning message:

Full	Good description	Len	T.Wt.	C.Wt.	Haz?	Actions
Y	non hazardous	13.60		0	N	create

Warning: Cargo with generic descriptions may be put on hold for Customs inspection. Please provide a more specific goods description to avoid delays.
 As of 1 October, we will reject generic goods descriptions such as this one.
